

A Training Workshop - Enhancing the Higher Education - KTH an Example

Sunday – 31/07/2022

Palestine Technical Colloge -Deir El Balah

Palestine Technical college (PTC) held a joint training workshop with Al-Aqsa University (AAU) at Palestine Technical college campus on 31.7.2022 to transfer the training experience gained from the KTH Royal Institute of Technology training held recently in Stockholm. The training workshop entitled “Enhancing Higher Education by Using Digital Technologies.” was held to train the academic staff at PTC and AAU.

Dr. Ezzaldeen Edwan, PTC project manager welcomed audience and opened the event. Dr. Hazem ElBaz from AAU gave two training sessions entitled “Teaching Trick - How to improve student learning without spending more time teaching, and “Support for Research Funding”. Dr. Iyad Ayoub from PTC gave another two training sessions entitled “Rethinking Engineering Education – The COIO Approach”, and “Some Perspectives on Sustainability, Engineering and Engineering Education”.

  **Master of Cyber Physical Systems**  Co-funded by the Erasmus+ Programme of the European Union

Joint Internal Training workshop between Palestine Technical College - Deir El Balah & Al-Aqsa University

Transferring KTH Training Experience

Enhancing Higher Education by Using Digital Technologies
