

International Master of Science on Cyber Physical Systems

WP3.0: Development

Al-Quds University Industrial Workshop

21/12/2022

An industrial workshop was held on December 21, 2022 in cooperation with industrial partners from Information Technology and Communications sector in Palestine.

An invitation letter was sent to a group of IT companies, some of these companies participated in a workshop held at the start of the project to consult with them about the CPS Master curriculum to ask them to participate in this workshop. The invitation letter explained the workshop objectives as outlined below and accompanied with the details of the accredited courses.

The objectives of the workshop were:

- To provide feedback and review the status of cyber physical systems program at AQU.
- To discuss future partnership and cooperation opportunities in terms of teaching, joint research, internship, and training.

Due to travel difficulties the meeting was held via ZOOM.

The participants of the workshop including both the academic staff from AQU and representatives from the IT industry as follows:

No	Name	Organization
1.	Dr. Rashid Jayousi	AQU
2.	Dr. Isam Ishaq	AQU
3.	Mr. Jamil Sultan	AQU
4.	Mr. Murad Khalil	Ooredoo Palestine
5.	Mr. Taeq Lahluh	Ooredoo Palestine
6.	Mr. Ahmad Zuhd	Paltel Group
7.	Mr. Abdelraheem Tamimi	Safedeny for Secure Technologies
8.	Jamil Isayyed	AXSOS

After welcoming the participants and explaining the purpose of the workshop a presentation of the project, the program and its status was given by AQU members. The presentation focused on the CPS master program as well as project activities and workshops. During the workshop a beneficial discussion was conducted on ways of cooperation between the University and the industry on how to benefit from the outcomes of this project. It was agreed that the plan will be reviewed by the participants from the industry and feedback will be given by them on how to enhance it, a future visits by our industrial partner will be arranged to the established labs, and to meet with students. Joint projects will be decided upon after the visits

Co-funded by the
Erasmus+ Programme
of the European Union
